Policies

Trial Run:

- For the bride, Moxie requires a trial run with the stylist. This stylist is also who will be doing the bride's hair the day of. We recommend receiving your trial run no more than three months prior to the wedding. A make-up trial run is required if you are looking to receive makeup services on the day of your wedding.
- It is highly recommended that you bring your veil or hair piece and a picture of your wedding dress to your trial.
- Please bring in any photos of hair styles and makeup that you like/dislike.
- If you are having portraits done on the same day as your trial, please be sure to mention that when scheduling your trial, so that we allow extra time for a final style. Please note: We cannot accommodate extra time for a final style without some sort of notice ahead of time.

Wedding Day:

- We understand the importance of running on time, and to achieve this, we require that everyone arrive at the contracted location together at the agreed upon start time. This allows our team to easily flow from one client to the next.
- For on-site services, those receiving a Blow Out and Style should arrive with freshly washed hair. Those receiving an updo should arrive with clean, dry hair. (No styling products)
- Those receiving makeup applications should arrive with a clean & moisturized face.
- On the day of the wedding, everyone receiving an updo should arrive in a button-down shirt to be sure not to disturb your hairstyle and/or makeup when changing clothes.
- Please make sure your party is aware that if anyone decides to upgrade their service on the day of, the pricing will be reflected on the ending total amount due. For example, going from a blowout/style to a Updo/Half updo would result in an upcharge.
- All makeup products will be provided by your stylist. Please let our coordinator know if you have any skin allergies that we should be aware of.

Scheduling Your Bridal Services:

- Please return the Moxie Bridal Information Sheet as accurate as possible. This sheet acts as a cover sheet to the actual contract if you choose to move forward with our team. The bridal consultants will make the day of schedule and complete the contract only after receiving the information sheet.
- Our Bridal consultants have a positive working relationship with many local Bridal and Event Planners. If you are using a planner, your consultant will work with them directly as necessary to schedule and confirm appointments.

Hair Styling Choices:

- An Updo is described as any style where pinning is needed to hold the hair, this DOES include half up styles as well.
- Blowouts – All of our blowouts come with a shampoo service if you are having your parties' services done at Moxie Hair Lounge. If our team is traveling on site, we ask that your party arrive with damp, not soaked, hair.
- Failure to come with clean hair will result in an upcharge (should the stylist need to prep the hair first)
- **Please note:** The bride's hair services are charged the same amount for an updo OR a blowout.

- You may pay the deposit by returning the Credit Card Authorization Form or by contacting Nila at 434.979.5556.
- We require a deposit of 50% for all services scheduled and a credit card number on file.
Please note: Your wedding date is not held without a paid deposit!
- The deposit due date will be listed on your contract. There are no exceptions to this date.
- Should you make initial contact with Moxie within 15 days of your wedding date, your deposit will be due immediately to schedule any appointments.
